**PURPOSE OF AFFIDAVIT**

6. This affidavit is made in support of an application for a federal arrest warrant and criminal complaint against Lorenzo Rafelle FAMBRO, AKA "Budda", for knowingly and intentionally distributing 40 grams or more of a mixture and a substance containing a detectable amount of Fentanyl, a schedule II controlled substance, in violation of Title 21, U.S.C. § 841 (a)(1) and (b)(1)(B) (vi). My knowledge of this investigation is based upon my own personal observations, as well as the observation and investigation conducted by other law enforcement officers knowledgeable of the facts and circumstances involved in the subject investigation. I have not included in this Affidavit all the facts known to me, but only that information sufficient to establish probable cause to believe that Lorenzo R. FAMBRO committed a violation of Title 21, U.S.C. § 841 (a)(1) and (b)(1)(B)(vi) and Title 21, U.S.C. § 841 (a)(1) and (b)(1)(C).

**SUMMARY OF PROBABLE CAUSE**

7. On February 1, 2022, following a series of telephone calls and text messages between a DEA confidential source, hereafter referred to as the (CS), and known fentanyl distributor Lorenzo R. FAMBRO, arrangements were made by the CS to introduce, DEA Special Agent (SA) Kendall Clark, acting in an undercover capacity, to FAMBRO sometime in the afternoon on February 1, 2022. The purpose of the meeting was for SA Clark to purchase two (2) ounces of fentanyl from FAMBRO. According to the CS, FAMBRO had agreed to sell SA Clark two (2) ounces of fentanyl for \$2,600.00 in U.S. currency. According to the CS, FAMBRO, AKA "Buda", advised the CS to contact him once his "people were in town and ready to go" on FAMBRO's cellular telephone, telephone number (614) 397-2029. The CS has, in the past, provided DEA with information which was later corroborated through independent investigation. The CS is considered to be reliable.

8. On February 1, 2022, plans were formulated at the DEA's Columbus District Office for DEA Special Agent (SA) Kendall Clark to meet with FAMBRO later that day, for the purpose of purchasing two (2) ounces of fentanyl.

9. On February 1, 2022, SA Clark was provided with \$2,600.00 in Official Advanced Funds (OAF) with which to purchase the purported fentanyl. SA Clark was also equipped with a digital recording device in order to record the anticipated conversation between SA Clark and FAMBRO. In addition to the recording device, SA Clark was equipped with an additional transmitting device which was subsequently monitored by DEA Task Force Officer (TFO) Miller over a police radio for the protection of SA Clark.

10. On February 1, 2022, at approximately 12:34 p.m., DEA SAs Joseph Bochenek, Lance Jardot, DEA Task Force Officers (TFOs) Andy Wuertz, Dave Barrick, and DEA Group Supervisor (GS) Scott Waugaman established surveillance at the proposed meet location. The proposed meet location was the Arby's parking lot located at 1563 West Broad Street in Columbus, Ohio 43222.

11. At approximately 12:39 p.m., DEA TFOs Brian Daron, Phil Miller, and Andy Wuertz observed SA Clark and the CS arrive at the proposed meet location and park in the middle of the Arby's parking lot.

12. At approximately 1:02 p.m., TFO Wuertz observed a black male adult driving a silver or gray 2021 Toyota Camry, bearing Missouri license plate LF2G0R hereafter referred to as "TARGET VEHICLE", registered to PV Holding at 10482 Natural Bridge in St. Louis, Missouri 63134, arrive in the lot and park next to SA Clark's vehicle. As the TARGET VEHICLE pulled up to the passenger side of SA Clark's vehicle, TFO Wuertz observed the CS get out and speak briefly with the driver and sole occupant of the TARGET VEHICLE. TFO Wuertz subsequently observed the black male driver of the TARGET VEHICLE exit his vehicle and walk over to SA Clark's vehicle. The black male driver was wearing blue jeans and a maroon hooded sweatshirt. The black male driver was subsequently identified by both the CS and SA Clark as Lorenzo Rafelle FAMBRO. SA Clark was able to confirm FAMBRO's identity after looking at a BMV driver's license photo of FAMBRO.

13. At approximately 1:03 p.m., TFO Wuertz observed FAMBRO get into the front passenger seat of SA Clark's vehicle. This seat had just been vacated by the CS. The CS subsequently got into the backseat of SA Clark's vehicle, sitting behind FAMBRO.

14. According to SA Clark, FAMBRO placed approximately 110 gross grams of a white powder substance, purported to be fentanyl that was contained within a clear plastic baggie, inside a cup holder located on the center console of SA Clark's vehicle. At approximately the same time, SA Clark handed FAMBRO the \$2,600.00 in OAF in exchange for the fentanyl.

15. At approximately 1:06 p.m., TFO Wuertz observed FAMBRO exit SA Clark's vehicle and then walk back to the TARGET VEHICLE.

16. At approximately 1:07 p.m., TFO Wuertz observed both vehicles depart the area. FAMBRO subsequently turned west onto West Broad Street after leaving the Arby's parking lot.

17. At approximately 1:18 p.m., SA Jardot observed FAMBRO arrive and park on the south end of 2903 East 9th Avenue in Columbus, Ohio 43219. The address listed as FAMBRO's residence on his Ohio driver license is 2903 East 9th Avenue, Apartment C, in Columbus, Ohio 43219 "TARGET LOCATION". 2903 East 9th Avenue is an apartment building containing four apartments. At the time FAMBRO arrived at the TARGET LOCATION, a white 2008 Ford Crown Victoria, bearing Ohio license plate JMX8090, registered to Lorenzo FAMBRO at 2903 East 9th Avenue in Columbus, Ohio 43219, and a white 2011 Chevrolet Malibu, bearing Ohio license plate JKB7054, registered to Lorenzo Rafelle FAMBRO at 2903 East 9th Avenue, Apartment C, in Columbus, Ohio 43219, were parked at the south end of the TARGET LOCATION, in parking spaces located north of an alley running along the south end of the building.

19. At approximately 1:26 p.m., TFO Mason observed FAMBRO depart the northernmost upstairs apartment, apartment C, and subsequently walk down the stairs and then walk south to where the TARGET VEHICLE was located. Moments later, TFO Mason observed FAMBRO depart the area in the TARGET VEHICLE. Surveillance was then terminated.

FAMBRO had advised SA Clark that the purchase price would be \$5,400.00. In response to these arrangements, plans were formulated at the DEA's Columbus District Office to surveil the planned meeting between SA Clark and FAMBRO on February 11, 2022, in order to purchase the four ounces of fentanyl from FAMBRO for \$5,400.00 in OAF.

22. On February 11, 2022, SA Clark was given \$5,400.00 in OAF to purchase four ounces of fentanyl. FAMBRO had earlier agreed to sell SA Clark four ounces of fentanyl for \$5,400.00.
